It has been a blessing to be able to write these notes over this school year because it has allowed me to reflect each week on the amazing things that happen at Zeeland Christian. I have enjoyed having a seat which allowed me to see the amazing education that happens from preschool through 8th grade in a wide variety of methods and activities. It has been a blessing to watch the growth in the students throughout the building. I have had the opportunity to be able to observe and participate in worship with kids across all the grade levels. There is no greater joy than to see our kids offer their hearts to Jesus in worship. My experience in this role has allowed me to gain a greater appreciation for the incredible gift that Zeeland Christian is. **John Buteyn, Interim Principal**
