Are you a foster, adoptive, or kinship family who is interested in connecting with other ZCS foster, adoptive, or kinship families? Have you been considering adoption or foster care and want to gain more information from other families who have fostered or adopted children? Or, are you a family that is interested in growing closer, learning from, empowering, laughing with, and supporting adoptive, foster, or kinship families? Then **ZCS Mosaic Group** is just right for you! ZCS Mosaic was started by a group of moms, who have adopted children, and are excited to create community with other adoptive, foster, and kinship families at ZCS. Our goal is to build supportive and encouraging relationships by coordinating: family social events, parent coffee dates, and monthly group lunches, for students who are adopted or in foster care, as well as helping to empower both caregivers and ZCS staff on how to best serve and love on adopted and fostered children. If you are interested, we would love to get some more information about: your family, children, areas you would like more support, and what type of social gatherings you would like to participate in. To submit this information, please fill [CLICK HERE](#) to fill out this brief survey. Or, if you would like additional information on ZCS Mosaic you can email Janine Osterink and Jill Emmick at zcschoolmosaic@gmail.com.

The **art room** requests donations of yarn and plastic tubs.
