

Little Maroons Parents,

Thank you for your patience as we navigate changes to the winter season. With the high school basketball season being condensed and changed, there will be some adjustments to the Little Maroon schedule. We are doing our best to give your child the best schedule while also following COVID guidelines and best practices. Please note the date changes as well as some further health department guidelines that will need to be enforced. This is the schedule assuming that sports can resume as of January 16.

Guidelines that will need to be followed:

Each athlete will need their own water bottle, no water will be provided.

Each athlete will need to wear a mask or face covering for the duration of Little Maroons.

New: Only athletes will be allowed in the gym. Parents may walk in to drop their kids off but must leave at the start of each session. Parents may enter with five minutes of the session to pick up their child. This is to stay within compliance with the health department.
