# ZONAR MyView™

Giving you peace of mind

Lighten your daily load.

Raising children is tough job. This easy-to-use mobile app allows you to check on the school bus whenever you want.

Set up Zonar MyView:

1. Download the Zonar MyView app from the App Store or Google Play

2. Enter the School Access Code: **ZEE2020**

3. Enter your child's unique Student ID (8-digit # that can be found in your child's information in Infinite Campus)

4. Create alert zones around pick-up and drop-off points.

When your child's bus enters an alert zone, you will receive notification by email or text.

Trust that your information is secure.

Security is priority one, especially where student information is concerned. All parent information is locked down and password protected within the app to prevent unauthorized people from opening the app and viewing the child's bus information.

Key features

- View a real-time, map-based bus locator
- Guarantee parent and student information privacy
- Create custom zones for each stop and facility
- Send email alerts and SMS messages
- Available on smartphones and tablets
