TOP TEN REASONS TO CHOOSE AFTERNOON PRESCHOOL

- #1 **Relaxed Mornings.** No waking up early feeling rushed out the door!
- #2 **No Morning Traffic.** Do we really need to say more?
- #3 **More Morning Snuggles.** Mornings are when your preschooler is well-rested! Parents get the extra snuggles instead of having to get up and ready for the day.
- #4 **Great Afternoon Routine.** Allows for much-needed routine and structure.
- #5 **Better Outdoor Time.** God's creation really wakes up in the afternoon!
- #6 **Breaks Up The Day.** Afternoons can feel long for preschoolers who get home at 12!
- #7 **Smaller Class Sizes.** Past history shows that preschool sessions have smaller class sizes.
- #8 **Easier Transition To Full-Day School.** Afternoon preschoolers experience a softer shift to their routine when starting Y5/Kindergarten.
- #9 **More Opportunities For Activities.** Library and Rec programs such as storytime, motor movement, swim lessons, dance, etc., are typically scheduled in the mornings.
- #10 **Preschooler-Free Errand Time!** Some businesses and restaurants do not open until late morning, so running errands during morning preschool can be tricky at times.
